ESCAPE ROOM TEMPLATE TEACHER DIRECTIONS

DIGITAL ESCAPE ROOM DIRECTIONS

- Use the items in the Digital Escape Room Folder.
- Pick the 3 question template (12 total questions) or the 4 question template (16 total questions).
- Use the Google Slides PDF to make YOUR master copy of the template you would like to use.
- Edit YOUR master copy of the template by typing in the questions, right answers, and wrong answers.
- Be sure to type the correct answer where the text says "type the **right** answer here". If you do not do this, the codes to the Congratulations PDF will not work.
- Share the "**VIEW ONLY**" link with your students after editing the questions and answers to your liking. *See image below

- Use the Google Slides PDF to make YOUR master copy of the same template's recording sheet to use alongside the escape room to help students keep track of their answers and codes.

TIPS:

- All buttons and boxes are already linked to the corresponding questions and stations.
- Have students work through the escape room in PRESENT Mode (share the present mode link from your google slides that you edited).
- Each Decoder is linked to google form where students will be asked to type in the correct code to break out of that station.
- Each code must be typed in ALL CAPITALIZED LETTERS and no spaces.
- Use the home icons of the bottom of the screen to take you back to the station's home or the first slide.
- Use the Classroom Slides to help personalize your student's escape room experience. These slides can be used up on the classroom board to directions or fun décor!
