# WHY CLASSROOM TRANSFORMATION KITS?

Classroom transformations can create excitement and engagement for all students in your classroom. Create memorable experiences that your students won't forget while teaching or reviewing skills and standards.

EVERYTHING you need to transform your classroom!

Switch things up and break away from your usual routine to build engagement and student buy in.

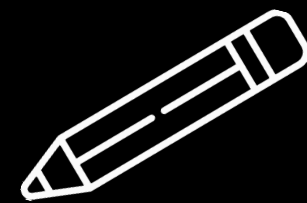

Use transformations for ANY skill, even test prep and review.

Plug in your OWN content for ANY subject area! ALL done for you! Just add your content, print, and go!

# FIVE STAR REVIEWS

## *What teachers are saying...*

“Students love **having fun while we learn!** These themes give us a chance to **make an average day into something spectacular!** **Everything you need** is included and prep is simple.”

---

“I used these for my end of the year theme days and had a BLAST prepping them for my students. **It was like Christmas morning** every day they would come in to see the theme of the day and the decorations I put up and the bonus Bingo boards, too! **Every theme was so much fun for all of us!!** I can't wait to spread these out throughout this next school year.”

---

“My students love classroom transformations, and there are **so many wonderful products in this resource!** Each theme can be personalized to cover the content in your classroom.”

---

“I love this resource. Talk about **taking out all the thinking and extra work needed.** I love that this is **simply click then print.** There is also **editable slides** which makes customization easy.”

**USED IN  
OVER 1,300  
CLASSROOMS**
