## *What teachers are saying...*

"I have been searching for a resource like this for years! I am so happy I found this. **These awards incorporate ALL students!** Many of my students take their award super personal and I love how these incorporate so many different personalities! I will be using these every year!"

---

"I am obsessed with these Awards! I love the design and the **creative names** for some of these certificates. It also gives you the **ability to create your own!**"

---

**"My students absolutely loved receiving these awards** at the end of a difficult school year! They definitely brought a smile to my face as I reflected on our year when deciding which award would best fit each student. **My students also enjoyed hearing the stories behind each award and reflecting as well.**"

---

"The **kids loved these.** We **voted on who got which award and then I added in the pictures.** The kids couldn't wait to see who got which one. They loved it."
