What teachers are saying…

"I have used this as a way to communicate with parents! I love it with upper elementary students. I **especially love the student shoutout part**."

"This is the perfect classroom newsletter! It's **not overwhelming with too many boxes** or "decorations." It's **just the right amount of cute and super functional**!"

"Love the **versatility** of these newsletter templates. Thank you so much for including **different styles, layouts and options for customization**!"

"Great resource! I email out a newsletter every Friday and **I've never had two look the same**! There are **so many customization options** here!"
