What teachers are saying...

"This resource has been a **HUGE success** in my music classrooms! The students are able to daily see their **progress**, as well as other classes' progress. They love a **good competition!** The students are always **excited** when they earn a new bingo piece and **look forward** to the next time they get another one! I will absolutely recommend this resource to everyone! I'm looking forward to purchasing a different seasonal one!"

"**Best behavior management!** I love that it includes the **whole class**, they have been so **kind** to each other, **encouraging** each other to do the right thing, to do their best to earn compliments (a way to earn a bingo card!). It has been a **game changer** for my kiddos this year!"

"This was a hit with my students. I was looking for something to **motivate** students to be **more focused** and this is it! They still have not gotten a bingo this week but they clap whenever someone gets picked to put up a square. They **LOVE** it!"

"OH MY GOODNESS **GAME CHANGER!!!** My kids absolutely love this and this has **transformed** my **classroom management** during such a difficult year."
