# HAPPY TEACHERS SAID...

“ This resource is amazing! I love that I can use it how I need it to fit my needs! With my younger grades I just use the positive affirmation and the soothing music slide but for the older students I am able to write out their expectations! Everything I need is in one place! ”

“ I am so happy with this slideshow. I use it in the morning for our classroom greeting and morning work tasks. I use it again during our Reading rotations. Myself and my students love the moving picture and calming sounds/music. The added timer is a plus to get me on track with rotations. ”

“ These slides are amazing! I love them for our Must do/ May do list. Students know exactly what to do while I am working with a small group! Love Love Love these slides! ”
